Article 3-Snow Removal

Article 3 – Snow Removal

Article 3-01 General

This Article is intended to compliment, supplement and reinforce Chapter 3, Article 2, Roads, regarding snow removal requirements and conditions at Star Valley Ranch, Wyoming.

Article 3-02 Right of Way

Snow removal vehicles and equipment shall be given priority consideration and regular traffic shall yield the right of way to this equipment at intersections and on roadways.

Article 3-03 Snow Removal Near Residences

The contractor is required to disperse snow evenly on both sides of the roadway. This will result in some snow from the roadway being deposited in driveways. Property owners shall not place snow removed from driveways or private property onto or across the plowed portions of the roadway.

Article 3-04 Property in Road Right of Way

Property owners should use extreme caution when placing trash containers or any property in the road right of way during winter conditions. Neither the Town nor the snow removal crews will be responsible for damage to improvements, vehicles or property that is in the road right of way and is damaged by snow removal operations. Any landscaping, vehicles, or property in the road right of way are placed there at the property owner's risk. An attempt will be made to contact property owners and provide them an opportunity to move property, however, any vehicles or property parked or placed within a road right of way that are impeding traffic or snow removal may be removed and impounded at the owner's expense.

Article 3-05 Vehicle Parking

No vehicle may be parked on any roadway in the Town limits at any time. All contractor vehicles must park on private property.
